Appendix 3 Recent planning and licensing applications

**17/05056/FUL Brow Farm Brow Lane CW9 6JP** - Change of use from agricultural barn to lavender processing and retail unit (see also 17/4883). The Parish Council supports agricultural or similar endeavours however it feels it does not have enough information by the deadline date on which to base a confident decision in this case. If information can be supplied by a communication with the Planning Officer (as yet not assigned) it will be happy to review its response promptly. It presently therefore objects on the basis of the following: the lack of assessment of smell / nuisance, and the amount of traffic from suppliers/customers and shop/retail. The Parish Council welcomes further information from the Planning Officer. (PWG 2.1.18)

**17/04912/FUL - Model Cottage Hollins Lane CW9 6NL** - Change of use from garage/office to self-contained accommodation. no objection (PWG - 18/12/17)

# - PARISH COUNCIL -

**17/04883/AGR - Brow Farm Brow Lane CW9 6JP** - Proposed building to store machinery and straw - (see also 17/ 5056). – CW&C Approved 7/12

**17/01666/FUL Land At Knutsford Road** - Erection of 15 Dwellings – (Amended plans). The Housing Officer report is now published and the Planning Officer says she is minded to approve. - 1st 4 page response - 25 May, 2nd 2 page response 11 Dec. Questions will be put to the Housing Officer and our request to go to CW&C Planning Committee (expected 6 Feb) is confirmed.

a) **17/04729/FUL Park Moss Farm Arley Road CW9 6NS** - Conversion of steel framed barn into a function room and single storey extensions – Objection 28 Nov & 10 Jan – see Appendix 4.

**17/04729/FUL - Park Moss Farm Arley Road Antrobus Northwich CW9 6NS - Conversion of steel framed barn into a function venue and single storey extensions**

## Material consideration

Park Moss Farm is a listed building. Given the proposed use under this Planning Application, and the new building form, it is the opinion of Antrobus Parish Council that the **desirability of preserving the setting of such listed buildings** is a significant material consideration that should be added to the ones the PC has already raised.

## Background information

On the Historic England Register and indeed the farmhouse and the two ‘barns’ are all separately listed Grade II. The farmhouse is listed because it is 17th C substantially altered by Arley Estate later in the 19th C. It was listed in 1986. In 1988 the two barns or outbuilding between the road and farmhouse were listed separately and included for the group value of all three buildings. **As a result the listing is more comprehensive than one building and creates a special architectural and historic interest to the wider setting of these listed buildings.**

The listing of buildings is covered by the Planning (Listed Buildings and Conservation Areas Act) 1990. Section 66 of that Act imposes a “*General duty as respects listed buildings in exercise of planning functions.*” Subsection (1) provides:

*“In considering whether to grant planning permission for development which affects a listed building or its setting, the local planning authority or, as the case may be, the Secretary of State shall have special regard to the desirability of preserving the building or its setting or any features of special architectural or historic interest which it possesses.”*

This means the Local Planning Authority must give 'considerable importance and weight' to assessing the application in this regard in order for it to comply with its statutory duty. There is planning guidance on this point. Case law has established the Act “**requires considerable weight to be given by decision makers to the desirability of preserving the setting of all listed buildings, including Grade II listed buildings.**” (ref 1 below)

The Historic England entry is as follows:

Park Moss Farmhouse Arley Road CW9 6NS entry ref 1329836

Farm Building 10 Metres South of Parkmoss Farmhouse CW9 6NS entry ref 1116058

Farm Building 10 Meters East of Parkmoss Farmhouse CW9 6NS entry re 1139169

(ref 1) *par. 28 Barnwell Manor Wind Energy Ltd and Northamptonshire District Council 18th February 2014 Cit No [2014] EWCA Civ 137 Lord Justice Sullivan giving the judgement the other two appeal judges agreeing.*

10/1/2018

**The next meeting of the Parish Council is on Mon 19<sup>th</sup> Mar 2018. Meetings are held on the 3<sup>rd</sup> Monday of the month at 7:30pm at Antrobus Village Hall. All villagers are welcome to raise any issue at 7:15pm. Agendas and minutes are on the website Antrobus.info.**

Martin, Christine & Steve Barnes

We would like to take the opportunity to introduce ourselves. We are the Barnes Family and we are the new faces running your local, the Antrobus Arms.

There is an exciting 8 week refurbishment project happening, which is due to complete by late March. Then the doors will reopen, and we can't wait to welcome everyone to the new look, but same friendly Antrobus Arms.

We would like to make a special mention to the Collins Family who have just left the pub after 12 years. We promise to look after it, love it and build on the legacy you worked hard to achieve.

To follow our progress head over to our Facebook, Twitter & Instagram pages, or sign up to our newsletter on our website [www.antrobusarms.co.uk](http://www.antrobusarms.co.uk).

## ANTROBUS FRIENDSHIP CLUB

Our last meeting was on Wednesday 7<sup>th</sup> February when Alex Taylor came to talk to us about his recent Trip to Jerusalem. Alex was very informative about the situation and life over in Jerusalem. He then showed us some beautiful pictures he had taken which helped to tell the stories. Some of our members had visited Jerusalem years ago so it was great to hear some of the discussion of how things had changed and how some things had not! Pictures included Dome of the Rock, Western Wall (Wailing Wall), Jaffa Gate, Mount of Olives and the Church of the Holy Sepulchre.

On **Wednesday 7th March** Clare Olver, a new visitor to the group, is coming to talk to us about Family History. We look forward to welcoming Clare.

On **Wednesday 4th April** we will hold our Annual General Meeting (which will be brief so don't worry).

It was mentioned last month that in May we are hoping to go on canal boat day trip from Stockton Heath, have some lunch and then sail back. This will be a change of weekday for us and will be on **Thursday 3rd May** – more details nearer the time. We are taking two boats. One boat will be The Wizard which is an Accessible Narrow Boat managed by Warrington Disability Partnership and hence ideal for people with any mobility issues. So we wish to thank Chris Taylor for making this option available to us. It will be a morning start for us to catch the boat and we plan to sail to the Barn Owl, Agden Wharf, Lymm and have lunch together there. There will be options, for example if some of our members feel they could only manage a half day trip we could swap people over at lunchtime if preferred. We'll persuade some friends to 'taxi' us around if necessary!

**Please feel free to come along to any meeting to try us out – as the name implies, it is a very friendly group of people and we'd love to see you there.**

## Antrobus WI

2018 marks the 80<sup>th</sup> birthday of Antrobus W.I. and at the January meeting members were informed of events planned to celebrate. The first of these will be a celebration dinner in March which is the actual birthday month. In May there will be a Fashion Show organised by COLOURS and tickets are now on sale for this popular event. Anyone not a WI member wishing to buy tickets should contact Janet Featonby 07565 525029.

The speaker at the January meeting was Camille Bradford who spoke about her amazingly dramatic early days from birth in 1942 up to 1947 as she and other army families were evacuated from Burma and India and eventually reached the UK

In February, as well as beginning preparation for the Cheshire Show in June the schedule for the Antrobus village show was completed and is printed in this magazine for all entrants to start preparing. The children's section will appear separately.

The speaker at the February meeting was Dr Diana Leitch from Catalyst at Widnes. She spoke about the history of Pyrex. It was interesting hearing the story of it's origins and development as almost all of the audience had received pyrex items as wedding presents during the 20<sup>th</sup> Century.

## Antrobus Village Hall

The heart of our community

### **2018 SUPPER CLUB**

We are already starting to organise the new season of social activity and we will kick off the season with a **Curry night** on 13th April. The Boys have agreed to help cook so we can look forward to some delicious food.

We have looked at last year's finances and increasing food costs, together with feedback that we are too cheap and have reluctantly decided to increase the ticket price from £12.50 to £15.00 for the April, June & October nights and Christmas will go from £17.50 to £20. I'm sure you'll agree this is still excellent value with everything we provide.

One of the problems we have is over-catering. Apart from the Christmas date which is tickets only, we have no idea who will turn up on the night. We don't want to stop that spontaneity but getting a closer fix on the numbers would help.

With this in mind and knowing we have a core of regular supporters who attend most events, we thought we should **TRIAL a LOYALTY CARD**

For a cost of £50 for the season you could have entry to all 4 2018 supper clubs with a guaranteed ticket for the Christmas dinner. This means that instead of paying £65 you would only pay £50 a saving of 23% & £5 less than last year.

The card would be in your name and the £50 paid upfront but in the event you could not attend a specific date your card could be passed on to a friend.

We have canvassed several people who love the idea so if you think this is for YOU please contact either Annie 07768 868647 or Heather 07817 771172

We hope you like the idea and take up the offer but if not tickets will be available on the door as usual

#### A REQUEST FOR HELP

Did you know that 16 – 17 May 1-28 marks the 75<sup>th</sup> anniversary of the extraordinary Dambusters raid ? And did you know that one of the 133 Dambusters was an Antrobus man? Sadly John Wilkinson and 52 others did not return from this extremely dangerous operation.

The Antrobus Village Hall committee have agreed to put on a lunch (tickets on sale in April) to mark this anniversary and the Antrobus local History Group 2017 are planning a small exhibition on the Dambusters and Antrobus 's War.

More details will come later but now need your help.

Can you provide the history group with memories, photos, memorabilia or anything to do with World War 2 in Antrobus

**Please contact Sharon Batey on 01565 777206 or Susan Sinagola on 01606 892748 if you can help**

**As with all Antrobus Village Hall events this will be a fun day for all the family.

## Nursery News

We hope everyone is well and is surviving the cold weather!

We had our trip last week to the Fire Station which the children loved! We learned all about how Fire Fighters put out fires, and saw some of the equipment that they use! We are looking forward to starting out trips to Arley Woods very soon..

We welcome mums and toddlers to join us on Mondays from 9.30-11 for a stay and play session. These sessions have proved very popular and are quite busy now. We are hoping to develop this group and will keep you updated with our ideas and plans. This is an open session so please come if you want your child to meet other children.

We take children from 6 months old up to school age on a sessional or full time basis and provide holiday cover if needed. We are registered for government grants for all children aged 3 and over and for children aged 2 who meet the criteria - please ask for further details.

**We will be open from 8.30am to 5.30pm and during the school holidays. We will also take younger school children during the holidays**

## 1st Antrobus and Comberbach Sea Scouts

Scouts started the year with a **first aid** night where we learnt "DR ABC" (1: look for the DANGER – there is no point becoming a casualty yourself; 2: does the casualty RESPOND – how badly injured are they?; 3: Are their AIRWAYS obstructed? 4: Are they BREATHING? 5: CALL an ambulance). We also practiced CPR (cardiopulmonary resuscitation) on special resuscitation dummies.

The following week, we went for a more light-hearted topic: **homemade lemonade stall**. Not only did the Scouts have to brew up traditional lemonade, they also had to create a brand image and an advert to market it. Lucy and Emma created a very tasty mixture, although their choice of brand name - Diabetes - may limit future sales... Isaac, Ollie and Daniel came up with a very convincing advert based around low sugar content and healthiness. I forget your brand name, boys, but your almost sugar-free brew had a bite like a Rottweiler! The youngest team, Fin, Matt and Dom had a great brand name: Z-Lemonade, and celebrity endorsement from 'Zed Sheran', but an un-drinkably sweet brew, although the with-ginger variant was almost palatable.

We have also had a **judo** taster night which was great fun, and didn't require any of our first aid skills (probably just as well).

Finally, we have done **campfire cooking** in Marbury Park. This is always one of our favourites, but we tried a new recipe this time: mince beef stew (with onions, garlic, potato, tomato, tomato purée and an oxo cube) – very tasty. The Scouts also invented a new delicacy: "Star Wars toast" (it has a light side and a dark side!) – pure genius, but inedible.

So, if you are aged between 10 and 14 and want to join in (or if you are over 14, and would like to try Explorer Scouts), contact either:

Paul Underwood (Scout Leader) 07725 150 928

Robert Doel (Assistant SL) 01606 89 17 89 or 07526 723 516

And "be prepared"...

## THANK YOU TO FRIENDS AND NEIGHBOURS

From Robin Martin

I would just like to say 'Thank You so much' to my many Friends and Neighbours for all the kind messages, visits, cards, flowers and treats received following my fall in January. I was really cross with myself for falling and even more so, as you can imagine, when I realised that I had broken the top of my arm. It's surprising how much of an impact not using one arm has on everyday simple tasks. It might take a while to heal but I am trying to behave myself and do the physio exercises suggested so that I can get back in circulation with a bit more independence before too long.

I would particularly like to thank all the people who have given me practical support since I returned back home, without whom it would have been a real struggle to manage at home. You have shown such kindness and thoughtfulness and I just want you to know how much it is appreciated. Antrobus is a wonderful village and I am so glad that I live here.

Thank you all once again.

*Love Robin*

### Antrobus Book Club

We had a successful first meeting in January sharing the titles of the books we currently reading and recommending various authors to each other.

We have chosen to read the following books for the next 3 months:-

22<sup>nd</sup> Feb. "Miss Garnet's Angel" by Salley Vickers;

22<sup>nd</sup> March "Gone with the Windsors" by Laurie Graham;

26<sup>th</sup> April "The House by the Lake" by Thomas Harding.

We meet in St. Mark's Church from 7-8.30pm.

Please join us if you enjoy reading and talking about books.

Meryl Phillips

Many thanks go again to all those who contributed to another successful Christmas card recycling campaign with 17.1 kgs of cards being recycled this year - this brings the grand total to an amazing 761.2 kgs over the last 12 years!

As Marks & Spencer and the Woodland Trust have now ended their joint recycling campaign, I have decided that I will no longer be collecting the cards each year. You can of course recycle your cards throughout the year using the green kerbside box. A huge thanks to all those who have supported the campaign over the years, especially the Village Shop!

Please recycle whatever you can, whenever you can – thank you!

Friends of Antrobus St. Mark's School  
PTA 100+ Club

**100+ CLUB FEBRUARY**  
**2018 PRIZE DRAW**

We are pleased to announce the Winners for February 2018 are Susan James £5.00, Steve Barker £10.00 & David Edgerley £25.00.

William Lavender, Mrs Jones & Ava Tompsett

It's been a fantastic year for Friends of Antrobus St Mark's 100 Club! More members, more winners and most importantly more funds for school! Over £1150.00 has been given by the 100 club to Friends of School. The school is something of a hidden gem, and we are incredibly proud of our children and all they achieve. Ofsted confirms this, saying 'Pupils behave very well in lessons and around the school. They have very positive attitudes to their learning and cannot help but show their enthusiasm' and 'teaching and learning are very effective and have resulted in strong progress and a good overall attainment'. Our facilities and ratios surpass those of some private schools, "so sing from the roof tops our Village school is here!"

The 100 Club wish to thank all the members for their continued support, Katie Lavender, Trudie Lauter, Michelle Rapson & Marian Hankey will be advising all members throughout the year when your membership is next due - "That's if you haven't already created a Standing Order"

Remember for a small yearly contribution of £10.40, this does help us make a BIG difference to Antrobus St Mark's School.

As we keep saying: 'You've got to be in it to WIN it' – and if you're 'in it' the school does benefit from regular giving and you also have a chance to win a cash prize.

If you haven't already joined the 100 Club "everyone is welcome" please contact Sue Lawless on 01606 288800 for an application form.

**A WIN/WIN situation!**

## Great Budworth Garden Club

The February AGM passed without incident, and all reports successfully given by the chair, secretary and treasurer . This year we have had some resignations for almost the first time, from members who have supported over the last 18 years, and now wish just be an occasional guest. I thanked them for their wonderful contributions that they have made to our club.

Two very important members of the committee, Richard Fenby, almost a founder member and editor of our Newsletter, plus Jerry Bentley, credited with success of our produce show, have resigned after many years, because of other commitments.

They were both thanked and presented with garden vouchers, and Richard was given a life membership.

Most of the subscriptions were paid, and the cut off date for this is the March meeting, then members from the waiting list will be invited to join the club.

The garden club continues its popularity and success.

The evening concluded with an excellent talk by Stella Exley, of Hare Spring Cottage Plants in York.

Her vivacious personality and enthusiasm allowed us to know all about her experience in growing her speciality Camassias for Chris Beardshaw's Chelsea garden, which won a gold medal.

A great start to our new year, and she was thanked by Eddie Horrigan with great compliments.

The next meeting is on Tuesday 13th March at the parish hall at 7.45, when broadcaster and nursery owner , Sarah Hopps, will tell us about ' A garden for all seasons ' . She is an another great speaker .

If you want to join our new waiting list, or attend as a guest, please contact me in the first instance for all details.

Jean Davies, Chair person, 01606 892383 or 0789 993 7683.

## Alice and Friends in Wonderland

### Antrobus Pantomime– January 2018.

We hope you enjoyed the Pantomime as much as we enjoyed presenting it. We want to say thanks again to everyone who helped in any way at all during the preparation and throughout the shows, as without our Friends and Helpers it couldn't possibly 'Be alright on the Night!'

We are delighted to announce that we are able to make a £1000 donation to the Cancer Charity related to Leukaemia Research; the rest of the proceeds go to the Village Hall which goes a long way towards paying for the amount of time we have the hall booked out for our use. Thanks to the Village Hall Committee for their continued support and backing. Thanks to all you in the audience for coming along to support us and joining in which you do so well!

There was an omission in the programme which we wish to mention – in Costumes - we would particularly like to thank Helen Graham for that spectacular Mr Hatter Coat and Hat. And a few spelling mistakes crept in, but not to worry - it's just the name corrections we would like to acknowledge – Roger, Robin, Amy's surname is Dawber and of course our Director was Mary Cumming.

You may not realise but we are members of the Association of Community Theatre in the North West and on the Saturday evening their Chair, Mr John Flay, came over to watch the show. He has written up a showbiz review and we are absolutely delighted with it and thought you would like to see it too.

We are signing off now and very glad of a rest!

## ALICE AND FRIENDS IN WONDERLAND

### Antrobus Players

### ACT REVIEW

It is always interesting when you see a new title in the pantomime presentation list. The first thought is will this well-loved children's book adapt into a pantomime format. The answer is a resounding yes. The script was written by group member Janet Featonby. One of the possible pitfalls of adapting is making the script too wordy, cramming everything on the page into dialogue.

This was not the case with this pantomime; there was just enough of the story, its characters and the inclusion of parts of the original narrative we all remember. There were a couple of new friends of Alice in Wonderland helping Alice find her way home. A fitting song selection played on backing tracks also suited this presentation.

Once again, the "Last of the Summer Wine Crew" and friends constructed a very workable set. All the iconic characters were recognisable in their fabulous costumes, designed and made by Debbie Sutton and team. There was an added element of magic from Chris Bailey's lighting.

Wonderland was recreated for the adventure to take place. There was not just Alice following the white rabbit. She was accompanied by her two friends. They brought modern day living to the proceedings via costume and mobile phones. The running gag of "Don't tell my dad" worked well.

Direction concentrated on high energy, which was maintained throughout. Moving each scene at such a pace was a winning factor. Each character knew what was expected from them and they delivered. Ensemble work was included and the BIBBLEDEWOPS were an integral part of the enjoyment. All the music was well interpreted. The doll/puppet scene was inspirational and excellently delivered.

Due to ill health, the role of the rabbit was supposedly given to a member of the audience. Maggie Pinfold under protest took on and had fun in the role. Tweedle Dee and Dum are the comedy duo. Chris Tratalos and Kate O'Donnell were the infamous pair, bringing chaos and high jinks to all their interplay. They were very watchable and earned their applause.

"Off with their heads" Queen (Ann Pugh) and King (Phil Pugh) were in splendid form. Poppy Cook kept an eye on the election proceedings between the Queen and Hatter. In the royal kitchen the maker of the tarts is Cook. Jane Meakin as the Marry Berry of Wonderland extracted everything out of the dialogue, giving a feast of characterisation. All those tarts were a great temptation for Cat, splendidly detailed in delivery by Gracie Dobson.

The tea party in its entire splendour, with the Hare (Ally Newby), Dormouse 1 (Sophie Wilkinson), Dormouse 2 (Jamie Newby) and the Hatter Helen Newby. Helen never stopped for a moment and was always on the move. It could not have been any more manic: the scene was great fun.

We then met Turtle (Brian Taylor) Walrus (Victoria Gallimore) and Caterpillar (Sue Richards) all true to the original characters. They added to the fast moving mayhem of entertainment.

We met all these larger than life characters though Alice and her friends. The friends were Eliza, played by Eve Shaw and Paige, played by Emily Clewes. They were more than supportive, they were colourful individuals. Daisy Hayes showed her understanding of Alice, giving a nicely rounded performance. The three of them showed excellent team work.

I am glad I didn't miss this new festive entertainment from such a hard working company.
